

# How I Need You

## Bad Boys Blue

I want you - now and forever

- Thats why did you do it!

I miss you - now that youve gone

- Im not a type of girl to mess around with!

I just called to say: I really love

- You should have thought of that before!

And girl, I do regret

Every single word that I said.

The night is so empty without you

And lonelinesss falling upon my mind

Im trying to touch you in my dreams

My heart is crying - baby

Oooh, how I need you

Oooh, how I need you

Im waiting every nighttime

- My nights have been so lonely since youve been gone

Ill kiss you and hold you tight

- I dream about this feeling every night

What I mean is: girl, I really changed now

- Id really love to believe you!

I swer to you, I do! Girl, Ill never make you blue

The night is so empty without you

And lonelinesss falling upon my mind

Im trying to touch you in my dreams

My heart is crying - baby

Oooh, how I need you

Oooh, how I need you
