

Anytime You Like

Robyn

It's like you're waiting for me to start
There's no right moment to break my heart
Boy, you can tell me anytime you like
We could talk any day of the week
I cry myself to sleep in my pink silk sheets
Boy, you can tell me anytime you like
Boy, you can tell me anytime you like
Under pressure alright
Under pressure you and I
Under pressure I was uptight
Under pressure, yeah
I keep quiet and hope you forget
You know that kitchen table, let's buy it
Boy, you can tell me anytime you like
Anytime
If I was brave I wouldn't keep my mouth shut
I'm selfish, I don't wanna give you up
Boy, you can tell me anytime you like
Boy, you can tell me anytime you like
Under pressure alright
Under pressure you and I
Under pressure love is uptight
Under pressure, yeah
Under pressure, yeah
Under pressure alright
Under pressure you and I
Under pressure this love is uptight
Under pressure, yeah
Hey baby, how you doing?
How was your day? What you do?
I said I love you, yeah
What you thinking about?
What you thinking about?
Tell me what's on your mind
Won't you tell me what's on your mind?
I love you so much
Boy, you can tell me
Boy, you can tell me anytime you like
