

Everytime We Touch (Long Version Remastered)

[Maggie Reilly](#)

A shooting star fell down to earth
Lightning cracked the sky
Something weird is happening
Something I can't deny A strange kind of magic
Running through my brain
Feel I'm in heaven
Or going insane 'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear, I could fly Can't you hear my heart beat fast
I want this to last
Need you by my side 'Cause everytime we touch
I feel the static
And everytime we kiss
I reach for the sky Can't you hear my heart beat so
I can't let you go
Want you in my life The wind was like a hurricane
Storm clouds filled the sky
I heard a crash of thunder
The earth shook in reply A strange kind of magic
Running through my brain
Feel like I'm in heaven
Or going insane 'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear, I could fly Can't you hear my heart beat fast
I want this to last
Need you by my side 'Cause everytime we touch
I feel the static
And everytime we kiss
I reach for the sky Can't you hear my heart beat so
I can't let you go
Want you in my life 'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear, I could fly Can't you hear my heart beat fast
I want this to last
Need you by my side 'Cause everytime we touch
I feel the static

And everytime we kiss
I reach for the sky Can't you hear my heart beat so
I can't let you go
Want you in my life 'Cause everytime we touch
I get this feeling
And everytime we kiss
I swear, I could fly Can't you hear my heart beat fast
