

Weather Rolls

Cavo

Oh, thought you were a city boy
Oh, thought you'd make the loudest noise
Oh, but you don't wanna feel it go
Like the weather rolls Oh, fire on the countryside
Oh, burning through the darkest night
Oh, but you don't wanna see it go
Like the weather rolls Tonight, I'm chasing habits in the moonlight
I'm breaking promises in daylight
Gonna let it burn until they
They feel it go
Oh, fire in the city nights
Oh, safe until we see the light
Oh, but you don't wanna feel it go
Like the weather rolls Tonight, I'm chasing habits in the moonlight
I'm breaking promises in daylight
Gonna let it burn until they
They feel it go Tonight, I'm chasing habits in the moonlight
I'm breaking promises in daylight
Gonna let it burn until they feel it go
Tonight, I'm chasing habits in the moonlight
I'm breaking promises in daylight
Gonna let it burn until they
They feel it go Oh, like the weather rolls
Like the weather rolls
