Hush, Hush

Jimmy Reed

Hush, hush
Baby don't believe a word
Hush, hush
Honey don't believe a word
Well, you don't know nothin'
But believe everything you heardHush, hush
Yakkyyak' all the time
Hush, hush
Yakkyyak' all the time
Well, if you don't stop yakkin'
You're goin' to drive me out of my mindHush, hush
Didn't hear a word you said
Hush, hush
Didn't hear a word you said
If you don't stop talkin'
I'm gonna leave and I'm mighty 'fraidHush, hush
Hush, hush
Hush, hush
Hush, hush
