Slip Away

Perfume Genius

Don't hold back, I want to break free
Cause it's singing through your body
And I'm carried by the sound
Every jump, every single beat
They were born from your body
And I'm carried by the soundOh, ooh love
They'll never break the shape we take
Oh, ooh
Baby let all them voices slip away
Don't look back, I want to break free
If you'll never see 'em coming
You'll never have to hide
Take my hand, take my everything
If we only got a moment
Give it to me nowOh, ooh love
They'll never break the shape we take
Oh, ooh
Baby let all them voices slip awayNo caressing, no caressing
No caressing, no caressing
No caressing, no caressing
No caressing, no caressing, no
Oh, ooh love
They'll never break the shape we take
Oh, ooh, no love
They'll never break the shape we take
Oh, ooh, love love
They'll never break the shape we take
Oh, ooh
Baby let all them voices slip away
