Street Fighter

The Subways

Ah yeah
Yeah hah
Well, here he comes man of the slums
Walk the streets of the ghetto
Well I beg your time
Take what you find
Before this thing gets old
(Street fighter)
Well he fights for what he?s been told
(Street fighter)
Can ya get there now hoooold
Well I know it?s hard
Someday you?ll go far
Told ya I could beat your crew

If hard times drive you crazy
I know you?re not lazy
Someday it?ll happen just for you
(Street fighter)
Well he fights for what he?s been told
(Street fighter)
And he?s driven out of control
Yeah street fighter
Well he fights for what he?s been told
He?s such a fighter
And ya can?t blame that on a home
Street fighter
And he fights for what he?s been told
Street fighter
And he?s driven out of control
