## Foals

Cassius is over!  
Cassius away!  
Cassius these daydreams, these daydreams decay! Cassius an accident!  
Cassius an accident!  
Accident!  
Accident!  
Accident! Cassius it's over!  
Cassius away!  
Cassius these daydreams, these daydreams decay! Lighthouse (Life) is an accident!  
The lighthouse (Love) is an accident!  
Accident!  
Accident!  
Accident! Wish you've gone-a, wish you've gone away, what you've gone-a  
What you've got has always gone away  
Cassius! Cassius! At best, it's all that we could do,  
All that we could do  
The wind is in, the wind is in my heart, the wind is in-  
Now what you've got has always gone away  
Cassius! Cassius! At best, it's all that we could do,  
All that we could do Cassius, is over! You're second best!  
Cassius, it's over! You're second best!  
It's over! You're second best!  
Second best!  
Second best!  
Second best! Cassius is over!  
Cassius away!  
Cassius these daydreams, these daydreams decay! Lighthouse (Life) is an accident!  
The lighthouse (Love) is an accident!  
Accident!  
Accident!  
Accident! Wish you've gone-a, wish you've gone away, what you've gone-a  
What you've got has always gone away  
Cassius! Cassius! at best, it's all that we could do,  
All that we could do  
The wind is in, the wind is in my heart, the wind is in-  
Now what you've got has always gone away  
Cassius! Cassius! At best, it's all that we could do,  
All that we could do Cassius, is over! You're second best!  
Cassius, it's over! You're second best!

It's over! You're second best!  
Second best!
