Anything, Anything

Grey Daze

Okay, what is it tonight?
Please just tell me what the hell is wrong
Do you wanna eat? Do you wanna sleep? Do you wanna shout?
Just settle down, settle down, settle downWell, I'll give you candy
Give you diamonds, give you pills
I'll give you anything you want
Hundred dollar billsAnd I'll even let you watch
The shows you wanna see
'Cause you married me
Married me, married meI'm so sick of you tonight
You never stay awake when I get home
Something wrong with me? Something wrong with you?
I really wish I knew, wish I knew, wish I knewWell, I'll give you candy
Give you diamonds, give you pills
I'll give you anything you want
Hundred dollar billsAnd I'll even let you watch
The shows you wanna see
'Cause you married me
Married me, married meWhen I was young, I played the game
That love and happiness were the same
Now I'm older and I don't play
And I found out the hardest wayI got wasted, she got mad
She called me names then she called her dad
He got crazy and I did too
Wondering what I did to youWell, I'll give you candy
Give you diamonds, give you pills
I'll give you anything you want
Hundred dollar billsAnd I'll even let you watch
The shows you wanna see
I'll do anything, anything, anything
Anything, anything, anything
Anything, anything
