I have a God who never fails
I have a God who never fails
I have a God who never fails,
Who never fails forever more

Amen my Jesus never fails
Amen my Jesus never fails
Amen my Jesus never fails,
My Jesus never fails forever more

You have a God who never fails
You have a God who never fails
You have a God who never fails,
Who never fails, forever more

Amen my Jesus never fails
Amen my Jesus never fails
Amen my Jesus never fails
My Jesus never fails, forever more

We have a God who never fails
We have a God who never fails
Oh! Who never fails,
who never fails, forever more

I have a God who never fails
I have a God who never fails
Yeah! Who never fails
Who never fails forever more.
