

Losing You

John Butler

There are things in this life I
would rather not sacrifice.
You girl I cannot live without
and you know there's no doubt that
All I mind's losing you.

I don't mind losing sleep
Pray the lord my soul to keep
I'll get plenty of rest when I am dead
but till then won't you share my bed
cuz all I mind's losing you
All I mind's losing you

And I don't mind losing money
There's nothin this life owes me
I've been given morethan I can receive
But for you there's no receipt
So all I mind's losing you
All I mind's losing you

I don't mind growin o-old
Losing teeth and going bald
Not as handsome as I ever was
But you love me just because
All I mind's losing you
All I mind's losing you

There are things in this life I
would rather not sacrifice.
You girl I cannot live without
and you know there's no doubt that
All I mind's losing you (x3)
