I'm In Love

Sanna Nielsen

Now I know
Yes, it's here I belong
By your side, in your arms
You are my destiny
You are my light, shining so brightCHORUS:
All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in loveNow it's time
I have made up my mind
No more reasons to cry
Loving you endlessly
You are my light, shining so brightCHORUS:
All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in loveStick
Yes, from the start
You reached so deep, into my heart
How could I live without you
I want you, I need you forever
I give youCHORUS:
All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in loveAll my love I give to you
All I do I do for you
I'm in love, baby I'm in love, baby I'm in love
