

# Lord I Try

## Tramaine Hawkins

Lord I try to do my best  
But the road seems so hard to climb  
Lord I try, but I don't succeed  
Blood sweat and tears, and fear  
Is there any way I can make it by myself?  
I've looked and found no one else  
I need your help  
I won't try by myself  
For I know that help is mine if I want it  
And my help lies in God x2
