

# Big Girl Now

## New Kids on the Block

I'm a big boy, you're a big girl now, now, ow  
I'm a big girl, you're a big boy now, now, ow Back in the day when you were young (it was fun)  
Little girl, didn't think you were the one (now here I come)  
Your sexy walk, your sexy talk (that's what's up)  
Little girl, you're clearly not the same kid from the block I ain't that little girl no more  
Not no more, that's for sure  
Boy get your ass out on the floor  
Let's explore, let's explore You know I like the way you moving (moving)  
Girl you're all grown up and now your ready to let it go  
Wanna be a big girl, got to prove it (prove it)  
With a body like that you got a grown man ready to blow I'm a big boy, you're a big girl now, now, ow  
I'm a big girl, you're a big boy now, now, ow Back in the day when I was young (kinda dumb)  
But I always knew I'd be the one (girl here you come)  
Gonna get you wet, gonna make you sweat (girl I bet)  
Gonna give you something you ain't ever gonna forget You ain't no little girl no more (nope)  
That's for sure (yup), booty like oh  
Wanna work it like a big girl let's explore  
Now drop it to the floor, let's get raw You know I like the way you moving (moving)  
Girl you're all grown up and now your ready to let it go  
Wanna be a big girl, got to prove it (prove it)  
With a body like that you got a grown man ready to blow You know I like the way you moving (moving)  
Girl you're all grown up and now your ready to let it go  
Wanna be a big girl, got to prove it (prove it)  
With a body like that you got a grown man ready to blow I'm a big boy, you're a big girl now, now, ow  
I'm a big girl, you're a big boy now, now, ow  
I'm a big boy, you're a big girl now, now, ow  
I'm a big girl, you're a big boy now, now, ow I've been waiting too long for you to get naughty  
Big mistake but daddy come on, touch my body  
Baby good things come to those who wait  
Come and take it mama before it's too late Oh, baby, oh yeah, oh yeah, you know I like the way You know I like  
the way you moving (moving)  
Girl you're all grown up and now your ready to let it go  
Wanna be a big girl, got to prove it (prove it)  
With a body like that you got a grown man ready to blow You know I like the way you moving (moving)  
Girl you're all grown up and now your ready to let it go  
Wanna be a big girl, got to prove it (prove it)  
With a body like that you got a grown man ready to blow Hey, hey, hey, hey, hey yeah  
Woo, woo, woo, woo, woo, grown man ready to blow

Woo, woo, woo, woo, woo
