

# He's My Thing

## Babes In Toyland

He's my thing, stay away from my thing  
Why don't you get your own wow wowow  
Well he's my thing

He's my thing, I kept for myself  
And not for you  
He's my thing I kept for myself  
And nobody else

He's my thing, stay away from my thing  
Why don't you get your own wow wowow  
Well he's my thing

Walks around in her boyfriend's clothes  
Nobody knows  
She knows, she goes, well she goes

He's my thing, stay away from my thing  
Why don't you get your own wow wowow  
Well he's my thing

He's my thing, I keep on a hook  
keep on a hook  
She knows, she goes, well she goes

He's my thing, stay away from my thing  
Why don't you get your own wow wowow  
Well he's my thing
