

# Rock Around With Ollie Vee

## Buddy Holly & The Crickets

Well, we gonna rock-a to the rhythm and the blues tonight  
Rock 'cause everything gonna be all right  
'Cause tonight, we gonna rock to the rhythm and the blues Well, I got a little gal I call-a Ollie Vee  
Ollie Vee come from Memphis, Memphis, Tennessee  
And tonight, we gonna rock-a rock around with Ollie Vee, Ollie-ollie Vee Ollie Vee say she's gonna do me right  
tonight  
I'm gonna wear my blue swede shoes tonight  
And tonight, we gonna rock-a rock around with Ollie Vee, Ollie-ollie Vee  
Well, we gonna rock-a to the rhythm and the blues tonight  
Rock 'cause everything gonna be all right  
'Cause tonight, we gonna rock to the rhythm and the blues  
Go! Well, we gonna rock-a to the rhythm and the blues tonight  
Rock 'cause everything gonna be all right  
'Cause tonight, we gonna rock to the rhythm and the blues I'm gonna shout and a-holla and a giggle tonight  
I'm gonna shake it just a little in the middle of the night  
'Cause tonight, we gonna rock-a rock around with Ollie Vee, Ollie-ollie Vee Well, I think Mr. Cop's on the beat  
tonight  
He's tryin' to put a stop to me tonight  
'Cause tonight, we gonna rock-a rock around with Ollie Vee, Ollie-ollie-ollie  
Well, we're gonna rock-a to the rhythm and the blues tonight  
Rock 'cause everything gonna be all right  
'Cause tonight, we gonna rock to the rhythm and the blues  
Hey! Well, we're gonna rock-a to the rhythm and the blues tonight  
Rock 'cause everything gonna be all right  
'Cause tonight, we gonna rock to the rhythm and the blues
