

Big City Life (feat. Marlon Roudette)

Gentleman

Meanings, Special Memories, and Misheard Lyrics...

Big City Life, me try forget by

Pressure nah ease up no matter how hard me try

Big City Life, here my heart have no base

And right now Babylon deep on me caseBig City Life, try forget by

Pressure nah ease up no matter how hard me try

Big City Life, my heart have no base

And right now Babylon deep on me casePeople in a show, all lined in a row

We just push on by, it's funny, how hard we try

Take a moment to relax, before you do anything rash

Don't you wanna know me? Be a friend of mine

I'll share some wisdom with you

Don't you ever get lonely, from time to time

Don't let the system get you down
