

Mary Go 'Round

Jack Ingram

Well, it's Friday night, Mary's lookin' fancy
Got her red dress on, she must be goin' dancin' on the town
That Mary goes round
Everybody knows her all over townWell, I wanted to dance, so I walked up and asked her
We were on that floor
She said, "Faster, faster, come on, cowboy
Let Mary Go Round"
Everybody knows me all over town as Mary Go Round[Chorus]
I can do the do the two step, I can do-si-do
I can even do the damned ol' cotton eyed Joe
I can do the waltz and I can spin around
I can keep up with any man in townWhen the band finished playing
We were all alone, and I thought I'd take this little girl
Back to my home and fool around with Mary Go Round
And everybody knows her all over town[Chorus]When the band finished playing
We were all alone, I thought I'd take this little girl
Back to my home and fool around with Mary Go Round
Well, everybody knows her all over town as Mary Go Round
Everybody knows her all over town.
