

Tear Down the Wall

Art of Dying

Who do I turn to?
And what do I do?
I'm looking for answers, the lies and the truth
I thought I knew better, but I don't know shit
It's gotta be out there, something better than this
I'm caught in the middle of lifeSomewhere in the middle of love
Nothing's gonna change till I break these chains
And I tear down the wall
I'm lost in the middle of life
Stuck in the middle of love
Nothing's gonna change till I break these chains
And I tear down the wall
What is the meaning and where does it end?
What does it matter until it begins?
I can't go backwards, I can't give in
Feels like the future is dying and the past is dead
I'm caught in the middle of life
Somewhere in the middle of love
Nothing's gonna change till I break these chains
And I tear down the wall
I'm lost in the middle of lifeStuck in the middle of love
Nothing's gonna change till I break these chains
And I tear down the wall
Brick by brick
Brick by brick
Brick by brick
Brick by brick
Tear it down with me
Tear it down with me now!Go!
I'm caught in the middle of life
Somewhere in the middle of love
Nothing's gonna change till I break these chainsAnd I tear down the wall
I'm lost in the middle of life
Stuck in the middle of love
Nothing's gonna change till I break these chains
And I tear down the wall
Tear down the wall
