Indian Summer

Pedro the Lion

Ultra-violet rays are washing over all the boys and girls
As their moms lay tanning by the pool
All of their dads arriving home
All the children hug his neck unaware of their inheritence
All of the experts say you aught to start them young
That way they'll naturally love the taste of corporate cumGod bless the indian summer
God bless the indian summer
God bless the indian summerDon't you just love the sun?
Doesn't it make you feel good, all over?
It's my pleasure to announce
In conjunction with the fed
And my recent popularityThanks in part to Mother Nature
It will never rain again
It should do wonders for the GNPIf you're just joining us now
You missed a brilliant speech
We go now live in the streets
To find out what the voters think
He's worked a miracle
I just now bought a brand new carGod bless the indian summer
God bless the indian summer
God bless the indian summer
