

Super 8

The Baker Brothers

Don't want to die in a Super 8 Motelâ€¢â€¢Just because somebody's evening didn't go so well
â€¢If I ever get back to Bristol
â€¢I'm better off sleeping in a county jail
â€¢Don't want to die in a super 8 Motel â€¢â€¢Having such a sweet night
â€¢Audience is just right
â€¢Drinking like a pirate do
â€¢Don't want to sleep yet
â€¢Buddy it's a good bet
â€¢I'll raise more hell than you
â€¢Do a couple rails
â€¢And chase your own tail
â€¢And talk about the bad old days
â€¢Trimmer in a t-shirt
â€¢Telling me her heart hurt
â€¢Honey let me count the ways
â€¢Then a big boy busted in
â€¢Screaming at his girlfriend
â€¢Waving around a Fungo bat
â€¢Bass player stepping up
â€¢Brandishing a coffee cup
â€¢Took it in the baby fatâ€¢â€¢I don't want to die in a Super 8 Motel
â€¢Just because somebody's evening didn't go so well
â€¢If I ever get back to Bristol
â€¢I'm better off sleeping in a county jail
â€¢I don't want to die in a Super 8 Motel â€¢â€¢Well I finally got the room clear
â€¢Bleeding from the left ear
â€¢Feeling pretty bad for the maid
â€¢Lost a couple drinks and my dinners in a sink
â€¢Woke up with the bed still made
â€¢Wasn't quite morning and I wasn't quite breathing
â€¢My heart way up in my throat
â€¢The Girl starts screaming and the maid starts screaming
â€¢And it looks like it's all she wrote
â€¢Well they slapped me back to life
â€¢And they telephoned my wife
â€¢And they filled me full of Pedialyte
â€¢Some are guts some are glory
â€¢And it would make a great story
â€¢If I ever could remember it rightâ€¢â€¢I don't want to die in a Super 8 Motel

â€¢ Just because somebody's evening didn't go so well
â€¢ If I ever get back to Bristol
â€¢ I'm better off sleeping in a county jail
â€¢ I don't want to die in a Super 8 Motel
â€¢ I don't want to die in a Super 8 Motel
