

Velvet Train

Status Quo

ride with me honey on the velvet train
ride with me honey on the velvet train
ride with me honey on the velvet train
ride with me honey on the velvet traini got me a ticket
packed my case
put my best suit on
and i washed my face
short on spending money
but the champagne's complimentary
now look this ticket's for 2 is there a chance that you would
ride with me honey on the velvet train
ride with me honey on the velvet train
ride with me honey on the velvet train
ride with me honey on the velvet trainwe be leaving when you're ready
if you just say yes
rolling down the line
destination happiness tell me this and tell me no more
are you riding with me i got to know for sure
we can rock and roll and save our souls
so before we get too old
ride with me honey on the velvet train
ride with me honey on the velvet train
ride with me honey on the velvet train
ride with me honey on the velvet train
