Princess Die

Lady Gaga

VERSE:
Leave the coffin open when I go
Leave my pearls and lipstick on so everybody knows
Pretty will be the photograph I leave
I'm laying down on famous knives so everybody seesBleach out all the dark
I'll swallow each peroxide shot
Someone I know could love and save me from myself
But maybe I'll just clean the shit off these fancy shoes
I'll be a Princess Die and die with youVERSE:
I'm hungry from an anorexic heart
I've been trying to tell you how I feel
But was never very smart
I'm wrapped in silks made for Egyptian queens
I'll do it in the swimming pool
So everybody seesBleach out all the dark
I'll swallow each peroxide shot
Maybe someone I love could save me from myself
Or maybe I'll just clean the shit off these fancy shoes
I'll be a Princess Die and die with youCHORUS:
I wish that I was strong
I wish that I was wrong
I wish that I could cope
But I took pills and left a notePOST-CHORUS:
Princess die
I want to see her cry
Princess die
Princess die
We want to watch her cry
Princess dieREPEAT CHORUSBRIDGE:
I wish that I could go in my rich boyfriends limo
Right after he proposed with a 16-carat stone wrapped in rose goldOUTRO:
The final act of life will be my own hands to do,
Ill be a Princess and die with you
