The Veldt

æ¤•æ•¾ä¼¸å¤«

Happy life with the machines
Scattered around the room
Look what they made
They made it for me
Happy technology
Outside the lions run
Feeding on remains
We'll never leave
Look at us now
So in love with the way we are
Here,
The world that the children made
The world that the children made
Here
The world that the children made
Here
The world that the children made

Every night
They rock us to sleep
Digital family
Is it real or is it a dream
Can you believe in machines
Outside the beating sun
Can you hear the screams
We'll never leave
Look at us now
So in love with the way we are
Here,
The world that the children made
The world that the children made
Here
The world that the children made
Here
The world that the children made
