Under the shadow

Plastic People

He who dwelleth in the secret place
Of the most high shall abide
Under the shadow
Under the shadow
Of the Almighty
Though a thousand
Fall before me

From the evil
That?s around me
They shall not
They shall not come nigh my dwelling
And I will say of the Lord He is my refuge and my fortress
My God in Him will I trust
And I will not be afraid of the snare of the fowler
My God in Him will I trust
