

# How Can I Be Sure

## Dusty Springfield

How can I be sure in a world that's constantly changing?  
How can I be sure where I stand with you? Whenever I, whenever I am away from you  
I wanna die 'cause you know I wanna stay with you.  
How do I know? Maybe you're trying to use me.  
Flying too high can confuse me. Touch me but don't take me down. Whenever I, whenever I am away from you  
My alibi is telling people I don't care for you.  
Maybe I'm just hanging around with my head up upside down.  
It's a pity, I can't seem to find someone who's as pretty  
and lovely as you. How can I be sure? I really really really wanna know.  
I really really really wanna know. Oh.
