## **Excuse Me**

## **Peter Gabriel**

Excuse me You're wearing out my joie de vie Grabbing those good years again I want to be aloneExcuse me I'm not the man I used to be Someone else crept in again I want to be aloneExcuse me please I'm looking for Lost Angeles Soaking up the sin again I want to be alone You got the money back, that's okay Who needs a Cadillac anyway I got the medicine, make you see the light Call me in Alaska if it all turns out right Excuse me please You're standing on my memories Stealing souvenirs again I want to be alone You got the money back, that's okay Who needs a Cadillac anyway I got the medicine, make you see the light Call me in Alaska, if it all turns out right
