

I Don't Care

Fall Out Boy

Say my name and his in the same breath
I dare you to say they taste the same
Let the leaves fall off in the summer
And let December glow in flames Brace myself and let go
Start it over again in Mexico
These friends, they don't love you
They just love the hotel suites, now I don't care what you think as long as it's about me
The best of us can find happiness in misery
I don't care what you think as long as it's about me
The best of us can find happiness in misery I'll take a chance, let your body get a tolerance
I'm not a chance but a heatwave in your pants
Pull a breath like another cigarette
Palms up, I'm trading em, trading em I'm the oracle in my chest
Let the guitar scream like a fascist
Sweat it out, shut your mouth, free love on the streets
But in the alley it ain't that cheap, now I don't care what you think cos as long as it's about me
The best of us can find happiness in misery
Said I don't care what you think as long as it's about me
The best of us can find happiness in misery Said I don't care just what you think as long as it's about me
Said I don't care just what you think as long as it's about me I said I don't care
(I don't care)
I said I don't care
(I don't care)
Said I don't care
(I don't care)
I don't care
(I don't care)
No, I don't I don't care
(Said I don't care)
I said I don't care!!
(I don't care!) I don't care what you think as long as it's about me
The best of us can find happiness in misery
I said I don't care what you think as long as it's about me
The best of us can find happiness in misery
