

Same Old Thing

The Black Keys

It don't matter where you been
The people try to do you in
Every day till dawn
There's some thieving going on, oh
Oh no, hurt me so Just the same old thing
Just the same old thing
No matter how much love you try to bring
Just the same old thing You got a callous heart
From being torn apart
Now you labor every day
Love life drifts away, oh
Oh no, it hurts me so Just the same old thing
Just the same old thing
No matter how much love you try to bring
Just the same old thing
