

# High For This (Omega Bootleg)

Ellie Goulding

You don't know what's in store  
But you know what you're here for  
Close your eyes  
Lay yourself beside me Hold tight for this ride  
We don't need no protection  
Come alone  
We don't need attention Open your hand  
Take a glass  
Don't be scared  
I'm right here  
Even though you don't roll  
Trust me boy  
You wanna be high for this Take it off  
You want it off  
'Cause I know what you're feeling  
It's okay, boy, I feel it too Let it be baby breathe  
I swear I'm right here  
We'll be good; I promise  
We'll be so good Open your hand  
Take a glass  
Don't be scared  
I'm right here  
Even though you don't roll  
Trust me boy  
You wanna be high for this
