Drunken Sailor

Blaggards

What shall we do with the drunken sailor,
What shall we do with the drunken sailor,
What shall we do with the drunken sailor early in the morning.

Hey ho and up she rises,
Hey ho and up she rises,
Hey ho and up she rises early in the morning.

What shall we do with the drunken sailor,
What shall we do with the drunken sailor,
What shall we do with the drunken sailor early in the morning.

Throw him in the hull with the captain's daughter,
Throw him in the hull with the captain's daughter,
Throw him in the hull with the captain's daughter early in the morning.

Hey ho and up she rises,
Hey ho and up she rises,
Hey ho and up she rises early in the morning.

What shall we do with the drunken sailor,
What shall we do with the drunken sailor,
What shall we do with the drunken sailor early in the morning.

Shave his balls with a rusty razor,
Shave his balls with a rusty razor,
Shave his balls with a rusty razor early in the morning.

Hey ho and up she rises,
Hey ho and up she rises,
Hey ho and up she rises early in the morning.

What shall we do with the drunken sailor,
What shall we do with the drunken sailor,
What shall we do with the drunken sailor early in the morning.

Hey ho and up she rises,
Hey ho and up she rises,
Hey ho and up she rises early in the morning.

Hey ho and up she rises,
Hey ho and up she rises,
Hey ho and up she rises early in the morning.
