Shine

Ledisi

Yeah, even when I'm on my own
I know I'm not alone
'Cause you got me
And when others try to turn me down
I'm gonna stand my ground
Like you told me
See I
I think that you were sent from heaven to protect me
That's why
I don't mind doing anything you ask me
I'll lay down my life for you
I am here, I am, this is what you did for me
I can shine, I can shine
I'll be here for you, you just stood back and you
Let me shine, let me shine
You, you let me, you let me shine
You, you let me, you let me shine
Must have done something right
To have you by my side
[Incomprehensible]When everybody else held out
You held me down
Just like you said you would
So
Ain't nobody on the planet that can touch you
(Ain't nobody, ain't nobody, no)
Oh, and you gotta know
From the bottom of my heart I'll always love you
I'll lay down my life for you
I am here, I am, this is what you did for me

I can shine, I can shine
I'll be here for you, you just stood back and you
Let me shine, let me shine
You, you let me, you let me shine
You, you let me, you let me shine
You, you let me, you let me shine
You, you let me, you let me shine
You let me
(Shine)

For the world to see
(Shine)
Like the sun out bright
(Shine)
I can feel your light
Oh, you let me shine
Oh, you let me shine
Oh, you let me shine
Yeah, you
I am here, I am, this is what you did for me
I can shine, I can shine
I'll be here for you, you just stood back and you
Let me shine, let me shine
You, you let me, you let me shine
You, you let me, you let me shine
You, you let me, you let me shine
You, you let me, you let me shine
(Shine)
You let me shine
(Shine)
You let me shine
(Shine)
Oh
