

I Won't Stay

Holly McNarland

Advisory - the following lyrics contain explicit language:

If I go home and come back another day
Tell me I won't miss you much
Tell me I won't and I won't stay
Tell me I won't miss you much
And I won't stay And I saw danger
When I went to look the other way
Didn't think I'd miss you much
Didn't think I'd feel But I got my cats and my carpets
And my fish in my brain
I got the walls around me
They never change I got my cats and my carpets
And the walls around me
And the walls around me Well, hello again
You're another hour late
You didn't think I'd notice You didn't think
I know you never think
You didn't think I'd notice
Oh, you never think But I got my cats and my carpets
And my fish in my brain
I got the walls around me
They never change I got my cats and my carpets
And the walls around me
And the walls around me If I go home and come back another day
Tell me I won't miss you much
Tell me and I won't stay But I got my cats and my carpets
And my fish in my brain
I got the walls around me
They never change I got my cats and my carpets
And the walls around me
And the walls around me
And the walls around me
