

# Only Heart

[John Mayer](#)

Do not waste this evening  
Baby I'm begging you  
Your big imagination's playing its tricks on you  
If you think my up and leavings something I'm gonna do  
Feel my chest when I look at you  
Baby you  
You got my only heart  
Yea, you got my only heart  
Yea, you got my only  
Only heart  
It's so hard to be so far out  
Living our separate lives  
Your phone was really broken  
I tried your number twice  
And if you need confirmation, baby I understand  
It's alright if you want me to

Tell you you  
You got my only heart  
Yea, you got my only heart  
Yea, you got my only  
Only heart  
And you live like your hand's on the horn, baby  
I adore you, but there's a hole in the cup that should hold my love  
Hold my love  
If you let, if you let, if you let me leave  
I swear, I never will  
Remember, now you  
You got my only heart  
Yea, you got my only heart  
Yea, you got my only heart  
Yea, you got my only heart  
Yea, you got my only heart
