# Theme from "A Summer Place"

## Cyril Stapleton

There's a summer place
Where it may rain or storm
Yet I'm safe and warm
For within that summer place
Your arms reach out to me
And my heart is free from all care For it knows,there are no gloomy skies
When seen through the eyes
Of those who are blessed with love
And the sweet secret of a summer place
Is that it's anywhere when two people share
All their hopes, all their dreams, all their loveThere's a summer place
Where it may rain or storm
Yet I'm safe and warm
In your arms, in your arms
In your arms, in your arms
In your arms
