The Shake

My American Heart

Oh, the brilliant mistakes that you seem to make
Always push me away
And now you're stepping on my feet, stepping on my feet
'Cause you were never on my sideSo, I'll throw my thoughts into the sea
Where no one will ever find
And your marvelous episodes of pain
Will very soon be mineI can't seem to shake this awful feeling
You wore, you wore, you wore me out
And I can't believeYou say, your mind is a terrible thing to waste
What good is mine if I'm locked up in a cage?
I was hoping you could help me out of here
So, I could finally disappearI'll throw my thoughts into the sea
Where no one will ever findI can't seem to shake this awful feeling
You wore, you wore, you wore me out
And I can't seem toI can't seem to shake this awful feeling
You wore, you wore, you wore me out
And I can't believe and no, I can't seem to shake
This awful feelingSo, I'll throw my thoughts into the sea
Where no one will ever find
And your marvelous episodes of pain
Will very soon be mineI can't seem to shake this awful feeling
You wore, you wore, you wore me out
And I can't seem toI can't seem to shake this awful feeling
You wore, you wore, you wore me out
And I can't believe and I can't believe
