

# Don't Blow Your Top (Edit)

KMFDM

I'm obsessed and deranged for I am destined to rule  
And I just can't believe that you are such a fool  
I don't need your sweet devotion, I don't want your cheap emotion  
You will do as you are told 'til the rights to you are sold Don't you blow your top  
Are you hung up? Give me your dirty love  
Give me your dirty love Think I'll go and start my car to have the real adventure  
Like some tacky little creep, really dig her she's so creepy  
Once you were my one and only, took my stash and left me lonely Don't you blow your top  
Are you hung up? Give me your dirty love  
Give me your dirty love  
Give me your dirty love  
Your dirty love, your dirty love Give me your dirty love  
Give me your dirty love  
Give me
