

# Most of My Life

Margo Guryan

MOST OF MY LIFE  
Words and Music by Margo Guryan  
Most of my life I fell in love in one minute flat  
Falling in love most of my life was as easy as that  
And losing someone I loved was part of the game  
Until I lost you and found you again  
And now it seems I've loved you most of my life  
And I don't want to lose you ever again  
And now it seems I've loved you most of my life  
And I don't want to lose you ever again  
Most of my life I thought that love was only a way  
Of killing the time, filling the gap, or spending the day  
And then you showed me how beautiful love could be  
And for the first time love happened to me  
And now I know I've loved you most of my life  
And I don't want to lose you ever again  
And now I know I've loved you most of my life  
And I don't want to lose you ever again
