

Myth (AIR DROPS remix)

Beach House

Drifting in and out, see the road you're on
You came rolling down the cheek
Say just what you need
And in between it's never as it seems Help me to make it
Help me to make it If you build yourself a myth
Know just what to give
What comes after this
Momentarily bliss
Consequence of what you do to me Help me to make it
Help me to make it Found yourself in a new direction
Eons far from the sun
Can you come when they come to reach you
Let you know you're not the only one Can't keep hanging on
To all that's dead and gone
If you build yourself a myth
Know just what to give
Do you lie?
We'll let the ashes fly Help me to make it
Help me to make it
