

# I'll Be Your Man

McFly

Been all around the world  
I've never met a girl  
That does the things you do  
And puts me in the mood To love you and treat you right  
So come here and close your eyes  
Lie back, release your mind  
And let the world fall down while I'm by your side I'll be your man through the fire  
I'll hold your hand through the flames  
I'll be the one you desire  
'Cause I want you to understand  
I'll be your man, I'll be your man I could lay with you for days  
And years can pass away  
There's lipstick on my face  
And I love the way you taste And I'm right here, so lock the door  
Because you need me but I need you more  
And I don't care about your mistakes  
Because they all went away when I found you, Katy I'll be your man through the fire  
I'll hold your hand through the flames  
I'll be the one you desire  
Honey, 'cause I want you to understand  
I'll be your man, I'll be your man I'll be your man through the fire  
I'll hold your hand through the flames  
I'll be the one you desire  
Honey, 'cause I want you to understand  
I'll be your man, I'll be your man
