

For Days Upon Time

Berman

for days upon time for days upon time, we could walk together, breathe together, for days upon time, you could
always see Me see so clearly
but sometimes you get caught in yourself, and sometimes you put Me back on the shelf, and sometimes you get
caught in yourself, and sometimes I get left out of you
child come home, leave yourself, rest in Me, and leave yourself,
for days upon time, you could always love Me, you could love Me, for days upon time, you could trust Me
fully, trust in Me only
but sometimes you get caught in yourself, and sometimes you put Me back on the shelf, and sometimes you get
caught in yourself, and sometimes I get left out of you,
child come home
