

End of the Rainbow

[Sandhy Sondoro](#)

And now I promise You
That I'll be soon so close to You
Like you want me to
Like I want it too And now I think I'm in love with you
Ever since got my eyes on you
For the first time
Yeah for the first time And now I'd pick up a star for you
If you'd love me to
If you'd love me to
And I'd fly you to the sun
over the seventh sky
If you'd love me to And I don't know what to do
You've got me drowned so deep into
Into you so deep into you And now I'd pick up a star for you
If you'd love me to
If you'd love me to
And I'd fly you to the sun
Till the end of the rainbow Let my love
Light your life
Embrace your heart
Let my love
Melt in to your soul
Into your soul
