

# Possessed

## Gorgoroth

tanding proud in the battle-lighted glare,  
of the churches burning in the name of Satan...  
Like a thorn in the eye of GodThe Sons of Satan  
are fighting in this Holy War,  
????? No-one thought that you would survive to see the new millenniumKill the priests,

The only Christians he will ???  
By the sword of the Dark Lord,  
of this world.We are possessed by the moon,  
We are possessed by Evil,  
We are posessed by Satan.???????????,  
Mutilated(?) in the name of the Bastard Race,  
Evil torments, souls to stretch,  
that will ????? the souls of God,  
Evil prevails ?????,  
?? Blasphemy,  
Holy War, lies in the future,We are possessed by the moon,  
We are possessed by Evil,
