Deny It

Useless ID

Call up the station.
Intimidation.
No need to go on.
Make some plans for everyone.
Dress up, you don't fit.
This suits me perfect.
Take a photograph.
Leave a dying image.
Wait for the train that may never arrive.
Place yourself in the middle and push me aside.
You better hold on because this is your last ride.Deny it.
You never won.
Do you ever wonder why?
Deny it.
You never won.
Do you ever wonder why?It's going to hit you when you least expect it.
It's been happening so long.
I guess we knew it all along.
Reach for your limits.
I don't think we'll make it.
If it were up to you then none of us would be around.
Starve for a good day.
At home it would last.
You can save me a window for questions you ask.
After what we've been through it doesn't matter.Deny it.
You never won.
Do you ever wonder why?
Deny it.
You never won.
Do you ever wonder why?
Deny it.
You never won.
Do you ever wonder why?
Deny it.
You never won.
D'You never won?Look at yourself.
You never belong.
You never bothered to blend.
This latest fashion has brought us apart.

You did your time, now GO!Deny it.
You never won.
Do you ever wonder why?
Deny it.
You never won.
Do you ever wonder why?Deny it.
You never won.
Do you ever wonder why?
Deny it.
You never won.
Do you ever wonder why?
