Because the Night (Radio Edit) [feat. Taleesa]

Coro

Take me now, baby, here as I am
Hold me close, try and understand
Desire is hunger is the fire I breathe
Love is a banquet on which we feedCome on now, try and understand
The way I feel under your command
Take my hand, come under cover
They can't hurt you nowBecause the night belongs to lovers
Because the night belongs to lust
Because the night belongs to lovers
Because the night belongs to usHave I doubt, baby, when I'm alone
Love is a ring on the telephone
Love is an angel, disguised as lust
Here in our bed 'til the morning comesCome on try and understand
The way I feel under your command
Take my hand, come under cover
They can't hurt you nowWith love we sleep, with doubt the vicious circle turns, and burns
Without you, I cannot live, forgive the yearning burning
I believe in love too real to feel, take me now, take me now, take me now
