Ugly Face

Glenn Lewis

(Verse)
On a regular afternoon
Took off today and I'm coming home early
To be with you..
You get so red school
There's only one thing I wanna do
Is make love to youOver and over again
Lost in your skin
And it's so amazing
I just can't hold it in(Chorus)
When you make that ugly face
It's so good to me
When you make that ugly face
You look so sexy to me(Verse)
Can't get no much better than this
If it did , it'd set the world on fire
Shower me with hersheys kisses
So glad to get what you been missingBaby won't you take it like you want this last name
Oh you chocolate frame feels so good to me
And it's so amazing
I just can't hold it in(Chorus)
When you make that ugly face
It's so good to me
When you make that ugly face
You look so sexy to me(Bridge)
I love it when you bite down those lips
Eyes in the top of your eye lids
So good to me girl
Heaven when I'm digging in them hips
I'ma make you scream so much
'Cause you look so sexy(Chorus)
When you make that ugly face
It's so good to me
When you make that ugly face
You look so sexy to me
