Too Hot Ta Trot

The Commodores

Well you're too hot ta trot now baby
Well you're too hot ta stop whoo baby
Well you're too hot ta trot now baby
Well you're too hot ta stop whoo baby

The things that you do
The things that you say
That you love me baby
In the strangest way
What you're doin' to me girl
Is knockin' me down
I can see right now
That you're the best thing around

Sweet pretty woman
I just want you to know that I love you
Oh I love you, love you baby
My head is spinnin'
With what you're doin' to me
Girl I want you, girl I love you

Ooh I love what you're doin' to me sweet thing
Oh I love you little sweet thing
Well you're too hot ta trot now baby
Well you're too hot ta stop whoo baby
Well you're too hot ta trot now baby
Well you're too hot ta stop whoo baby

It's too hot ta trot baby, yeah babe
Too hot ta trot baby
Yeah, come on, com on, come on, come on, come on

Too hot ta trot now baby
Well you're too hot ta stop sweet thing
Well you're too hot ta trot now baby
Well you're too hot ta stop
Too hot ta trot baby
Too hot ta stop sweet thing, sweet thing
Too hot ta trot baby
Too hot ta stop sweet thing

Too hot ta trot baby
Too hot ta stop
