Tiny Little Bows

Carly Rae Jespen

Cupid, draw back your bow
New York
Tell me how you feel about it
We just met, yeah, we just met
L.A.
Ask me for the truth about it
We just met
And I wish we could be holding hands
I wish we could be holding hands
[Chorus]How do you think it goes
With those tiny little bows
You're the one I want
You're the one I know
And everywhere you are
Is a place I wanna go
Dancing really high
Dancing really slow
[Chorus]How do you think it goes
With those tiny little bows
You're the one I want
You're the one I know
And everywhere you are
Is a place I wanna go
Dancing really high
Dancing really slow
Paris
Do you ever think about us
Watching TV in your bed
Hey London
Call me if you think about it
Don't forget
I wish we could be holding hands
I wish we could be holding hands
[Chorus]How do you think it goes
With those tiny little bows
You're the one I want

You're the one I know
And everywhere you are

Is a place I wanna go
Dancing really high
Dancing really slow
[Chorus]How do you think it goes
With those tiny little bows
You're the one I want
You're the one I know
And everywhere you are
Is a place I wanna go
Dancing really high
Dancing really slow
Cupid, draw back your bow
And let your arrow flow
Straight to my lover's heart
For me
For me
[Chorus]How do you think it goes
With those tiny little bows
You're the one I want
You're the one I know
And everywhere you are
Is a place I wanna go
Dancing really high
[Chorus]How do you think it goes
With those tiny little bows
You're the one I want
You're the one I know
And everywhere you are
Is a place I wanna go
Dancing really high
Dancing really slow
I wish we could be holding hands
Dancing really high
Dancing really slow
Dancing really slow
