

Everlasting

Raging Fyah

Who you call when your world is tumbling
Who you gonna call when your searching for a friend Who you gonna call when you going through the drought
Who you gonna call when things ain't working out~—2
Call on JAH loving yea
Don't you know it's everlasting yea Don't you know it's ever faithful yea You can feel it in your bones my
friendWhat you gonna call when you hear the trumpet sound Judgment day and the scrolls are rolling out
Where you gonna run when your soul ain't working out Make up your mind make sure your not in doubtCall on
JAH loving yea
Don't you know it's everlasting yea Don't you know it's ever faithful yea You can feel it in your bones my
friendBridge ~—4
It's Just JAH Loving Loving Yeah
~—2
Call on JAH loving yea
Don't you know it's everlasting yea Don't you know it's ever faithful yea You can feel it in your bones my
friend
