

# Worthy (feat. JhenË© Aiko)

## Jeremih

I know you've been through it  
I know you been going through it  
I know these other girls can't do it like I do it  
I know you ain't used to it  
To the better things  
Baby you deserve the better things  
Let me show it, prove it  
What these other hoes ain't doing  
Let a real bitch do it, like I can Say how you lay at night  
Tired of that nigga  
When you know you be by my side  
Shit feels much better It's a match made and heaven sent, set in fires in hell  
Overdue for your lovin' baby, I don't want no one else  
Ain't no way I would do you dirty  
What you're doing to me  
Ain't no way that I'm worried baby  
They don't see what I see Ooh you worthy baby, you worthy I know you are the one  
Girl why you runnin'  
Why must we play  
Oh, we saw this coming Say how you lay at night  
Tired of that nigga  
We know you be by my side  
Shit feels much better It's a match made and heaven sent, set in fires in hell  
Overdue for your lovin' baby, I don't want no one else  
Ain't no way I would do you dirty  
What you're doing to me  
Ain't no way that I'm worried baby  
They don't see what I see Ooh you worthy baby, you worthy
